PRODUCT DESCRIPTION

Just in time for summer party season. Graduations. Weddings. Fourth of July. This is a truly wonderful ice bucket. Somewhat Scandinavian in design by Morgan and Company and from their Bucket Brigade Collection. Its tan vinyl covered cylindrical shape is setting on a light wood base and topped with a light wood lid. Its loop handle is edged in gold-tone metal. Vintage mid-century but perfect for today's style. It will be handsome in your bar area and ready and waiting for the cocktail hour. Or take it to the patio for party time. Just make it yours.
